

Illinois Department of Insurance

BRUCE RAUNER
Governor

JENNIFER HAMMER
Acting Director

Date: February 03, 2017

To: Insurance Education Providers licensed by the Illinois Department of Insurance

From: Illinois Department of Insurance

Re: Course Roster Upload Fees

Fees collected by the NAIC's State Based Systems (SBS) allow the NAIC to maintain and improve a wide-variety of functionality focused on providing time and cost savings to Insurance Education Providers. Starting March 2, 2017, the fee to submit Continuing Education (CE) course credits to the Illinois Department of Insurance will increase from \$0.50 per credit hour to **\$1.00** per credit hour. This increase brings the Illinois Department of Insurance in line with all other jurisdictions that use SBS to collect CE credits.

The latest version of SBS, SBS 2016, includes new functions that support multi-jurisdiction provider and course applications as well as automated notifications to the provider when courses are approved, credits are uploaded, etc. To learn more about the cost-savings benefits offered by SBS, visit www.statebasedsystems.com. For questions please contact the NAIC Service Desk at 816-783-8500 or service@naic.org.
